Making a difference

Linda and Richard represent Yorkshire & Humber in the European Parliament, standing up for our interests and working hard to make sure the region gets the best deal.

Yorkshire & Humber is a net beneficiary of EU regional funding, meaning that we receive more than we pay in real terms.

From 2007 to 2013, we received some £500 million from the European Regional Development Fund, which in turn brought about the same amount from elsewhere — that's about a billion pounds of direct investment in our communities.

Linda McAvan MEP

Key facts about Europe & Barnsley

Stanley Walker

Barnsley Interchange

European Structural Funding contributed to the £27 million transport interchange. The Interchange, which links both the rail and bus stations, was developed as part of the Remaking Barnsley scheme — which saw European Objective 1 funding invested in a variety of projects such as the Low Carbon Centre, unemployment initiatives, and Barnsley Civic and Mandala Gardens.

Experience Barnsley

Barnsley Council, working with Wentworth Castle and Stainborough Heritage Park, received over £2.5million for ‘cultural Infrastructure for the 21st century’ projects.

One of the projects, Experience Barnsley, was developed in the town hall and serves as a museum and showcase for Barnsley.

109,200 are employed in Barnsley. That's **109,200 people who are better off** because of 28 days leave a year, an 11-hour break between shifts and work-specific health and safety rules.

In Barnsley there are **31,100 part-time workers**, all of whom benefit from an EU entitlement to the same hourly pay as full-time workers and have the same leave entitlements.

There are 52,300 **women** employed in total in this area. Thanks to the EU, they have protection from dismissal if pregnant, the right to be paid the same as men for work of equal value, and laws protecting them against discrimination.

AGRICULTURAL SUPPORT

Europe's rural development policy helps rural areas to meet the challenges of the 21st century – economic, environmental and social.
